MARBLE HOUSE

WELCOME

WELCOME TO THE NEWPORT MANSIONS WINE & FOOD FESTIVAL.

In six short years, we're proud to say that this has become the most sophisticated wine and food festival on the East Coast, and a signature event for Newport in the fall.

This year, we welcome a very special guest: chef, TV personality and restaurateur Lidia Bastianich! She's planned a delectable menu for our Sunday jazz brunch, and will be meeting Festival attendees and signing her cookbooks at the Grand Tasting on Sunday.

Our team has worked very hard, along with our dedicated sponsors, vendors and exhibitors, to make this one of the most anticipated food and wine events in the country. We've tried to take advantage of the unique attributes that make Newport and the Newport Mansions so special. Certainly there is no more spectacular location for an event like this than Rosecliff and Marble House.

And in this setting, we bring you more than 100 of the world's finest vintners, great food from regional restaurants and caterers, and the opportunity to enjoy them in an intimate setting where you can talk to the winemakers one-on-one, meet your favorite chefs, and enjoy a remarkable three-day experience.

As you enjoy all of our activities, please take a moment to thank our sponsors and exhibitors for helping to make this event possible. And remember that your support and theirs is helping us to preserve these beautiful and irreplaceable historic houses. We are grateful for your attendance, and we hope that you will take the time to experience all that Newport has to offer.

Trudy Coxe
CEO and Executive Director
The Preservation Society of Newport County

THANK YOU
