Caterers of Choice

The Newport Mansions Caterers of Choice are the finest caterers serving the Newport area and have been selected and licensed to provide catering service for events at our magnificent museum settings. All have demonstrated excellence in both food preparation and presentation and have proven their ability to recreate a Gilded Age experience while protecting the rare interiors of these century-old historic homes.

We invite you to contact each of these caterers directly to determine which one can best serve the needs of your individual event.

Preferred Professionals

While our museum works with an exclusive list of caterers, other vendors can be chosen at your discretion. These industry experts have been selected to complement and enhance your event.
